

Experience Cloud Quick Start

Launch a branded Salesforce-powered portal with clear MVP scope.

brysa

We are Brysa

brysa

Of Spanish origin meaning “Breeze”.
A Personalisation, Operational automation,
and Salesforce modernisation company.

Our Expertise

At Brysa, we specialise in enabling organisations to unlock the full potential of Salesforce. Our quick start packages are designed to help you get up and running swiftly and cost-effectively.

Our Approach

We understand the importance of seeing a return on your investment quickly. Our structured methodology eliminates the uncertainties often associated with traditional engagements.

Our Promise

Exceptional quality, tailored to your needs, delivered on time and within budget.

Package Overview

Create a branded digital experience connected to Salesforce data for customers, partners or employees, built for speed, governance and a clean first use case with **Brysa Experience Cloud Package**.

Ideal for a first portal launch with a narrow use case and low customisation footprint.

Fixed-price delivery with clear page, audience, component and access-model limits.

Includes one UAT cycle, admin training and 30 days of post-launch support.

£6,500 excl Tax

Discovery & design

- Audience and outcomes workshop
- Experience blueprint
- Branding review
- Security approach for 1 audience

Site build

- 1 Experience site
- Up to 10 pages
- Theme + navigation setup
- 1 login / registration pattern

Data & interactions

- 1 launch use case
- Expose agreed data
- Up to 5 reusable components
- Up to 3 simple forms

Testing & launch

- 1 UAT cycle
- Launch support
- Access validation
- Page and content sign-off

Admin handover

- Content admin training
- Support responsibilities
- Site handover note
- Next-phase backlog

Commercials and Scope

- Fixed £6,500 exc VAT
- 4 weeks implementation
- 8 hours of support (21 days)

What is not included?

While our package is comprehensive, some elements are **outside the scope**.

However, for these additional features, our team can work with you to create custom solutions.

Features that are not a part of this Package:

- Multi-brand or multi-site estates
- Bespoke design system or headless architecture
- Commerce or subscription checkout journeys
- Enterprise SSO beyond one agreed pattern
- Large content migration or translation programmes

Prerequisites

To ensure smooth implementation, we require

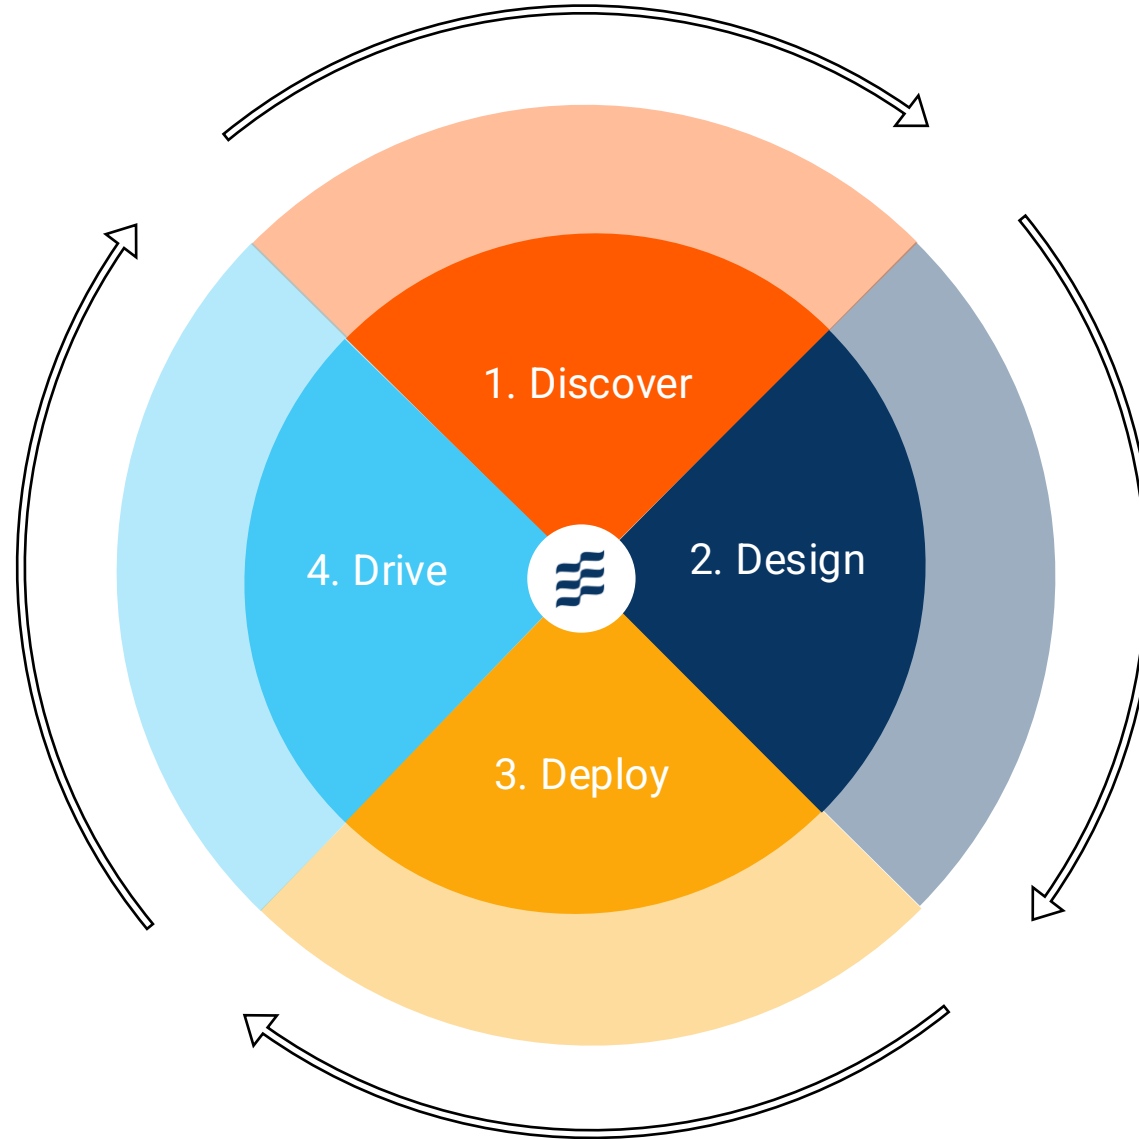

Signed Statement of Work (SoW) with Brysa.

Experience Cloud licences, domain readiness and brand assets supplied.

Access model, page approvals and content owners confirmed.

The Brysa Way

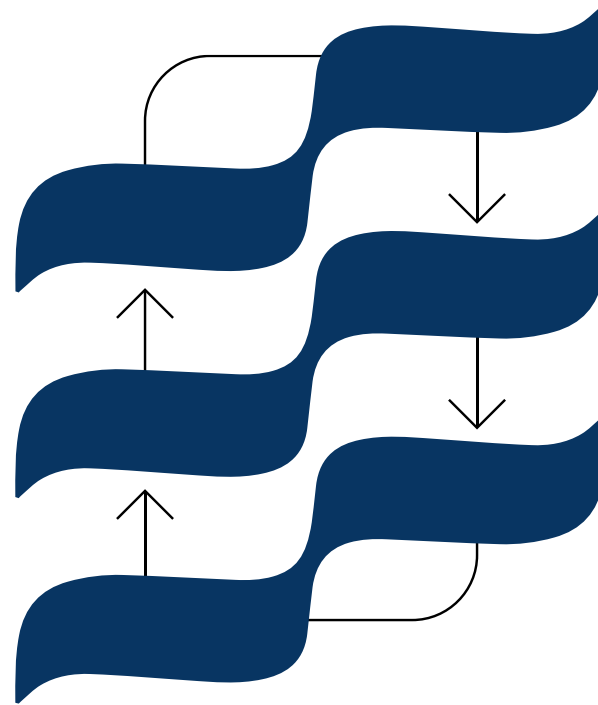

As trusted Salesforce experts, Brysa is committed to delivering excellence.

Our experienced consultants coupled with a client focused approach make us the partner of choice for organisations looking to achieve Salesforce success.

We call this the
Brysa Effect.

Automated operations.
Systems harmonised.
Technical debt reduced.
And employees in **flow**, embracing
an AI-powered world.
